12. As such, a "Google search" was performed on the internet to ascertain a mailing address for Venustas International, LLC.

13. I was present when this search was conducted.

14. To the best of my knowledge, the term "Venustas International" was searched.

15. We did not find Venustas International but did find an Aedes de Venustas with a New York City address of "9 Christopher Street, New York, New York 10014."

16. I utilized that address on the two (2) attached invoices.

17. After receiving a phone call from Ms Manger, as well as a facsimile from a company called Aedes De Venustas, informing me that the mailing address I utilized on the Venustas International, LLC invoices was incorrect, I made the appropriate corrections and all future invoices have the correct mailing address for Venustas International, LLC.
